

**SUBSIDY STANDARDS
PER 24 CFR 982.54(D)(9)**

NRHA does not determine who shares a bedroom/sleeping room, but there must be at least one person per bedroom on the voucher. NRHA'S subsidy standards for determining voucher size shall be applied in a manner consistent with Fair Housing guidelines.

The unit size on the voucher remains the same as long as the family composition remains the same, regardless of the actual unit size rented.

One bedroom will generally be assigned for each two family members. NRHA will consider factors such as family characteristics including sex, age, or relationship. Consideration will also be given for medical reasons.
